

## PITTSBURGH LACE GROUP

SEPTEMBER 2016 E-MAIL BLAST

Hi, Everybody,

You all know how Man plans and God laughs. God has been howling at us lately. So here is the info you have been waiting for with bated breath. Or not.

### UPCOMING DEMONSTRATIONS:

❖ **ANNUAL MAKE LACE IN PUBLIC DAY: October 1, 2016**

We will be demonstrating at Yarns by Design in Oakmont, PA. Please let Amy know if you can participate.

❖ **HEINZ HISTORY CENTER ITALIAN HERITAGE DAY: October 2, 2016**

Please consider coming to demonstrate at the Heinz History Center in downtown Pittsburgh. The Heritage Day takes place from 10 to 3 on October 2<sup>nd</sup>. You don't need to be Italian to show your love for lace. Please contact Joanie if you are able to demonstrate.

❖ **FALL WORKSHOP/ANNIVERSARY WEEKEND: October 14, 15, 16, 2016**

**This is our 35<sup>th</sup> Anniversary and we will be celebrating!**

Come join us on Friday night, October 14, as we once again welcome Jan Letowski, who will be sharing some of his lace treasures with us. He will discuss the history of each piece, and will offer items for sale.

Lacy Susan, a.k.a. Trudy Scholten, will also have wonderful goodies for us to buy.

A limited number of spangled bobbins commemorating the PLG's 35<sup>th</sup> anniversary will be available for \$15.00 each.

**Bring your pocketbooks and some treats to share.**

On Saturday and Sunday, Trudy will be teaching her first-ever workshop. The cost of the workshop will be about \$50.00, which will be payable Saturday morning. We will find out what supplies we need on Friday night. It should be fun to help her find her way through the minefield of teaching. She has always been a good friend and a great vendor and we want to support her in this effort.

❖ **FIBERARTS GUILD OF PITTSBURGH: November 11, 2016**

The demonstration/presentation will take place at the 6<sup>th</sup> Presbyterian Church in Squirrel Hill. Please let Amy or Joanie know if you can attend and demonstrate. Times, etc., will follow.

That's all for now. Hope to see you all soon!
